

Health & Safety

IADC Rigpass

 : 24 Hours

 : IADC

 : Safety Training

 : Oil & Gas

 : 365 Days.

Description :

★★★★★ 4.7/5

The IADC Rig Pass® program is a certification system that provides a standardized safety orientation for new employees, preparing them for various operating environments at any site, whether onshore or offshore.

Completing an IADC Rig Pass® accredited course ensures that personnel have met the fundamental safety requirements established by safety and training experts in the drilling industry, regardless of the rig's location.
